Additionally, unlike other properties in the development that are restricted by regulations, this villa already has a legalized pool and perimeter wall, ensuring total privacy and the comfort we all desire in our homes. **Functional Design on One Floor:** The house is designed on one floor, offering comfort and fluidity in its layout. A charming covered porch welcomes visitors, while the interior includes a spacious kitchen with laundry and pantry, a cozy living-dining room with a fireplace, and three bedrooms: two singles and a large master bedroom. All rooms have built-in wardrobes, complemented by a full bathroom and an outdoor toilet. **Rustic Style in Perfect Condition:** The rustic style and the excellent condition of the property, along with the abundant natural light and mature vegetation surrounding the villa, create a sense of peace and tranquility.
