This luxurious property located in the prestigious community of Sierra Blanca offers a unique blend of elegance and comfort. The contemporary design of the villa, spread across three levels, features a stunning double-height hall upon entry, setting the tone for the rest of the house. With a total of 7 bedrooms, including two master bedrooms with ensuite bathrooms and panoramic sea views, the house provides ample space for residents and guests alike.

The open-concept living spaces on the ground floor seamlessly connect the living room, kitchen, and dining room to a terrace with floor-to-ceiling sliding glass doors, allowing for plenty of natural light and breathtaking views of the garden and swimming pool. Additional amenities such as a laundry area, garden and spa with a Hamman and sauna, and a heated saltwater pool with panoramic views make this property a true oasis of luxury. With modern technology like underfloor heating and home automation, this house offers both comfort and efficiency, making it a truly exceptional place to call home.

Parking and Garage: The property offers convenient vehicle access with a roofed entrance and the capacity to park 6 cars directly accessible to the kitchen. Additionally, there's a huge garage for two cars on the lower level.

Technology and Comfort: The house is equipped with modern amenities, including underfloor heating and home automation, enhancing the overall comfort and efficiency of the property.
