Beautiful penthouse for sale in the new and modern residential complex located on the Benahavís – Marqués de Guadalmina highway. This east/south facing duplex penthouse features contemporary architecture and communal grounds with well-maintained gardens. The community offers excellent services, including two adult swimming pools, children's pools, playground, paddle tennis court, gym, sauna and jacuzzi.

The property has a bright living room with glass doors that give access to a sunny terrace with views of the gardens. The kitchen is fully equipped and has a laundry room. In addition, the apartment has two guest bedrooms with their guest bathrooms and a master suite with a large open terrace and mountain views. The property has a storage and a parking space included.
